

SIX TO VIEW OVERSEAS

Bay watch

MUO, MONTENEGRO
Price: €340,000
Agent: Dream Property Montenegro
Tel: 01753 831 162
They say: A semi-detached

stone house right on the seafont. The property comprises 300sqm of living space over four floors with an open-plan kitchen, living room, five bedrooms,

two bathrooms and a lovely walled courtyard.
We say: Unlike a lot of property on the Montenegro market, this house is large and in very good condition.

There are views of the beautiful Boka Bay from every floor, but there is limited outside space for its size and the front door opens right on to the road.

In a funky old medina

ZITOUNE LKDIM, MARRAKESH, MOROCCO
Price: £298,000
Agent: Morocco Properties
Tel: 01670 004 62342
They say: A fully furnished restored

the medina. It has two living rooms, an outdoor area, five bedrooms, kitchen plus a large patio.
We say: Beautifully restored using traditional materials, this property is in a fantastic location for all the main attractions. Marrakesh is a hot destination for city-breaks and property and this road could lend itself to a fabulous guesthouse or rental option.

Under the Tuscan sun

CORTONA, ITALY
Price: £567,000
Agent: Aylesford
Tel: 020-7251 0172
They say: A converted Tuscan farmhouse in the hills above Cortona. There are five reception rooms, five bathrooms and four bedrooms, plus two annexes and pool.
We say: Beautiful, rambling and quite romantic country property that offers plenty of space for large families. The gardens are fully mature and the location is perfect.

Homage to Anatolia

**BARGYLIA RESORT,
BODRUM, TURKEY**

Price: from £60,000

Agent: Regnum Ltd

Tel: 020-7930 7550

They say: A resort of two-

and three-bedroom apart-
ments overlooking a private
bay. There's also a large
swimming pool, fitness cen-
tre, beach club, tennis courts,
shops and bars. The resort

has been kept car-free to
retain a sense of tranquillity.

We say: The resort is a bit of
a drive from Bodrum's main
centre but the development
has been well-designed and

the on-site facilities are first-
class. The hillside position
offers a feeling of space and
great sea views from every
apartment. Good value in a
popular holiday location.

Par for the course

**COLINA VERDE GOLF
RESORT, ALGARVE**

Price: £153,000

Agent: Quadrant Overseas

Tel: 01276 507 513

They say: This one-bed
apartment in a small devel-
opment is a great investment
opportunity. The Colina Ver-
de course is on the doorstep.

We say: A good price for the
Algarve, though this is at the
less developed eastern end.
The price includes part own-
ership of the course – so no
green fees. The development
is inland, which means you'll
have to drive to the beach.

That's your Lot

GOURDON, LOT, FRANCE

Price: £217,000

Agent: Latitudes

Tel: 020-8951 5155

They say: Stone-built house
with pigeonier (pigeon coop)
in a quarter of an acre. There
is a lounge, kitchen and three
bedrooms, one en-suite
bathroom and shower room.

We say: A great holiday
property with charming
features, such as wooden
beams. One of the bedrooms
and the en-suite are in the
pigeonnier, however, so that
only leaves a shower room
for the rest of the family.
